### NASHVILLE WELCOMES TENNESSEE'S FIRST MY PLACE

**Lebanon, TN-May 16,2017**—The My Place groundbreaking tour featuring four ceremonies across three timeszones in four days continues! Following the cross country tour's launch in Las Vegas on Monday, May 15, My Place President and CEO, Ryan Rivett and the My Place delegation continued their journey in celebrating with franchisees and their communities while promoting My Place's momentum in its aggressive campaign for U.S. expansion.

The groundbreaking celebrating Tennessee's first My Place hotel took place onsite at 1004 Cumberland Center Boulevard off Exit 238 of I-40 where future guests will enjoy immediate access to diverse dining while downtown Nashville is only a quick drive from the hotel.

Lebanon Mayor Bernie Nash noted, "We are very excited to welcome My Place Hotels to Lebanon and to the Cumberland Center Development. We feel it is an excellent location for the expansion of their brand, being right off of I-40. With the growth of Lebanon, Wilson County and Nashville there continues to be a need for more lodging, especially with the New Expo Center. We thank them for the investment in Lebanon."

The hotel is owned by MP Nashville, LLC. and operated by Legacy Management, LLC. Managing partner Eric Myers said My Place presents a great concept that fills an underserved niche in the hotel business right now, making it a great fit for Nashville's greater metropolitan area.

"Newly constructed economy extended stay hotels are hard to find," Myers said. "That's why I think a My Place Hotel is perfect for a busy interstate and construction market like Lebanon, Tennessee. Couple that with easy access to Nashville and a My Place Hotel was the logical decision. We're grateful for the opportunity to celebrate our new roots with this rapidly growing community, home of Tennessee's first My Place hotel!"

All My Place Hotels offer modern amenities at an affordable price including nightly, weekly and monthly rate options. Each extended stay guest room features a My Kitchen, complete with a two-burner cooktop, a microwave and a full refrigerator. The property is pet friendly, includes on-site laundry facilities, complimentary high speed internet service and a 24-hour My Store, located in the hotel lobby and stocked with an array of supplies for the guests' convenience. Additionally, guests are invited to enjoy the new Breakfast in Bed option for a minimal cost.
