

# America's Newest and Best Economy Extended Stay Hotels™

**US EXPANSION CONTINUES:  
MY PLACE HOTEL-KETCHIKAN, AK  
SET TO OPEN Q1 OF 2017!**

**Ketchikan, AK-December 20, 2016**—My Place Hotels of America is pleased to announce it will soon double its presence in Alaska with the opening of My Place Hotel-Ketchikan, AK! The project is on target to complete construction by beginning of February, with opening anticipated shortly thereafter.

Located at 3612 North Tongass Avenue, the brand new 3-story, extended stay hotel will offer 64 guest rooms with stunning views of the Tongass Narrows. Centrally located between the AMHS ferry terminal to the north and the KTN Airport ferry terminal to the south, My Place guests will enjoy easy access to the airport, and a plethora of local restaurants and shops.

Owned and developed by Pacific Northwest My Place Hotels, LLC. (PAC NW), Ketchikan's newest hotel will serve area travelers as the only newly built extended stay hotel. Joe Dinger, PAC NW's VP of Development, said both the robust tourism industry and seasonality of Ketchikan's other industries called for the brand new, extended stay product, a niche in which My Place continues to fill as it expands across America.

"Along with the rapid expansion of Vigor Industrial and PeaceHealth Hospital, there is a great need for additional long term lodging options which My Place is designed to meet perfectly," Dinger said.

Alaska's first My Place Hotel opened in Anchorage on March 3, 2016. The new hotel in Ketchikan will resemble My Place Hotel-Anchorage, AK in its prototypical design.

A unique concept designed for nightly and extended stays is key to My Place's swift expansion.

Terry Kline, My Place's EVP of Franchise Development, said he is confident the guests of Ketchikan will be delighted by the quality accommodations, flexibility and value each My Place Hotel presents.

"We are extremely pleased to be working with Joe Dinger and the Pacific Northwest My Place Hotels, LLC. development group to bring the My Place brand to the Alaska markets of Anchorage and Ketchikan! The PAC NW group has been instrumental to My Place's aggressive campaign for national expansion," Kline said. "It has been a tremendous pleasure to see each new property open to the delight of its respective community."

While Dinger is excited to fill the demand generated by the Ketchikan market, he said

In addition to breathtaking views of the Tongass Narrows, guests will enjoy a convenient location with easy access to the AMHS and KTN airport ferry terminals.

the community support he has received is also an exciting indication of the property's local reception.

"Ketchikan is a fantastic community and the opportunity for us to be able to do business here is not something we are taking for granted," Dinger said. "Thank you to those who so generously welcomed us already! We could not be more excited, and look forward to being open for business by early February!"
