

America's Newest & Best Extended Stay Hotels

**US EXPANSION CONTINUES:
MY PLACE HOTEL-NASHVILLE/LEBANON, TN
IS NOW OPEN!**

LEBANON, TN-DECEMBER 7, 2017—My Place Hotels of America is thrilled to announce Tennessee's 1st and America's 36th My Place Hotel is now open! Lebanon's newest hotel is located at 1004 Cumberland Center Boulevard off Exit 238 of I-40, where guests enjoy convenient access to a variety of nearby dining and retail options coupled with easy access to downtown Nashville. As the gateway to Music City and central to robust growth and development, Lebanon has expanded its lodging offerings with its only brand new, extended-stay hotel. The four-story, 63-room hotel is independently owned by MP Lebanon, LLC., and operated by Legacy Management, LLC.

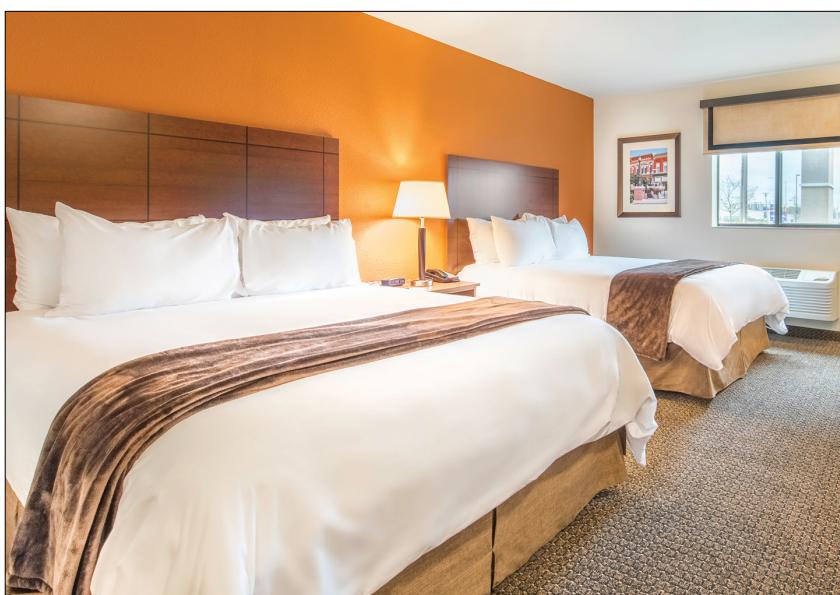

Tennessee's 1st My Place Hotel opened its doors on December 7, 2017.

Managing partner Eric Myers said he's excited to bring a brand new, extended-stay hotel to a community with a diverse need for flexible lodging.

"The greater Nashville area has been a hot bed for development, so there are many new hotels in the region" Myers said. "Yet, few of those are priced affordably, and even fewer offer extended-stay amenities. Lebanon's location, growth, and community have made it an ideal launching place for My Place in Tennessee. We are excited to serve the community's growing needs by welcoming area travelers with a refreshing lodging experience."

Lebanon Mayor Bernie Ash said, "We are very excited to welcome My Place Hotels to Lebanon and to the Cumberland Center Development. We feel it is an excellent location for the expansion of their brand, being right off of I-40. With the growth of Lebanon, Wilson County and Nashville there continues to be a need for more lodging, especially with the New Expo Center. We thank them for the investment in Lebanon."

The new hotel will be locally operated by Regional Manager Ali Rahimi and General Manager Kent Miller. With decades of hospitality management experience between them, Rahimi said he's most excited for guests to experience the comfort of home at every touchpoint.
